

Webinar: Friday August 11, 2017 Noon - 1:00 pm Alaska Time

Learn the Facts:

Get information on the burden of HPV cancers, the appropriate HPV vaccination schedule for your patients age, and how to respond to parents questions about the HPV vaccine.

Presented by: Dr. Melissa Hardesty

Dr. Hardesty is a board certified gynecologic oncologist. She completed a 4 year fellowship in Gynecologic Oncology at the University of Washington with experience in many complex surgical and medical situations. Before completing her fellowship, Dr. Hardesty (formerly Dr. Thrall) worked in rural Arizona close to the Navajo reservation as an OB GYN. Dr. Hardesty is passionate about providing care to the women of Alaska with gynecologic cancers and complex pelvic disorders.

Target Audience: Physicians, Pharmacists, Nurse Practitioners, Physician Assistants, Nurses or any other staff who work with children, adolescents and their parents in primary care settings.
