

The American Academy of Pediatrics – AK Chapter,
The Children's Hospital @ Providence + Women's
Services & Providence Alaska Medical Center

Invite you to attend

SUBOXONE WAIVER TRAINING

Saturday, October 6, 2018 – 8am to 5:30 pm
Cancer Center, Rooms 2281 & 2285

Faculty: Miriam Schizer (Peds-Harvard Medical School) &
Marcela Smid (MFM-University of Utah)

- This 8 hour course will yield a Buprenorphine Training Completion Certificate and will qualify you to apply on-line for a waiver to permit management of Medication Assisted Therapy.
- There is no charge for the course (this is supported by a grant from the AAP and SAMHSA) but registration is required to help us plan for catering and room set-up.
- CME will be provided by American Academy of Addiction Psychiatrists (see info on reverse).
- Completion of this program will satisfy the Alaska State Medical Board requirement for 2 hours of education on Pain Management, Opioid Use and Addiction.

Please RSVP – to Dawn.DuPree@providence.org or (907) 212-2836

OBJECTIVES

At the conclusion of this activity participants should be able to:

- Review addiction treatment in office-based practices
- Discuss the pharmacological treatments of opioid use disorder
- Determine what medical record documentation must be followed
- Discuss the process of buprenorphine induction as well as stabilization and maintenance techniques
- Describe how to take a patient history and evaluation
- Review safety concerns and drug interactions

IMPORTANT CME INFORMATION

- **CME Accreditation:** This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the American Academy of Addiction Psychiatry and the American Academy of Pediatrics. AAAP is accredited by the ACCME to provide continuing medical education for physicians.
- **Credit Designation:** American Academy of Addiction Psychiatry designates this live activity for a maximum of 8 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
- **Method of physician participation in the learning process:** Credit will only be awarded for completing all of the training. To be awarded a maximum of 8 *AMA PRA Category 1 Credits™* and a Buprenorphine Training Completion Certificate you must complete all 8 hours of the course. Those completing the course will be able to complete the waiver application online.
- **AAAP is the Data Sponsor for this training.** *Funding for this initiative was made possible (in part) by grant nos. 5U79TI026556-02 and 3U79TI026556-02S1 from SAMHSA. The views expressed in written conference materials or publications and by speakers and moderators do not necessarily reflect the official policies of the Department of Health and Human Services; nor does mention of trade names, commercial practices, or organizations imply endorsement by the U.S. Government.*
